BELOIT JR-SR HIGH SCHOOL

One of the most important functions of a year-book is to record the events of the past year.

The Trojan staff tried to put together pictures and words which would cause you to remember and recall your favorite happenings of the 1978-79 school year.

Whether your memories center around home-comings, sports events, plays, classroom happenings, club projects or maybe just faces you'd see in the hall, we hope you can find a part of those memories in this book.

The staff asked Karla Riemann for her creative thoughts on the subject of memories and you'll find her contributions on the opening and closing pages.

May your memories be pleasant ones as you leaf through and recall the events of the past school year.

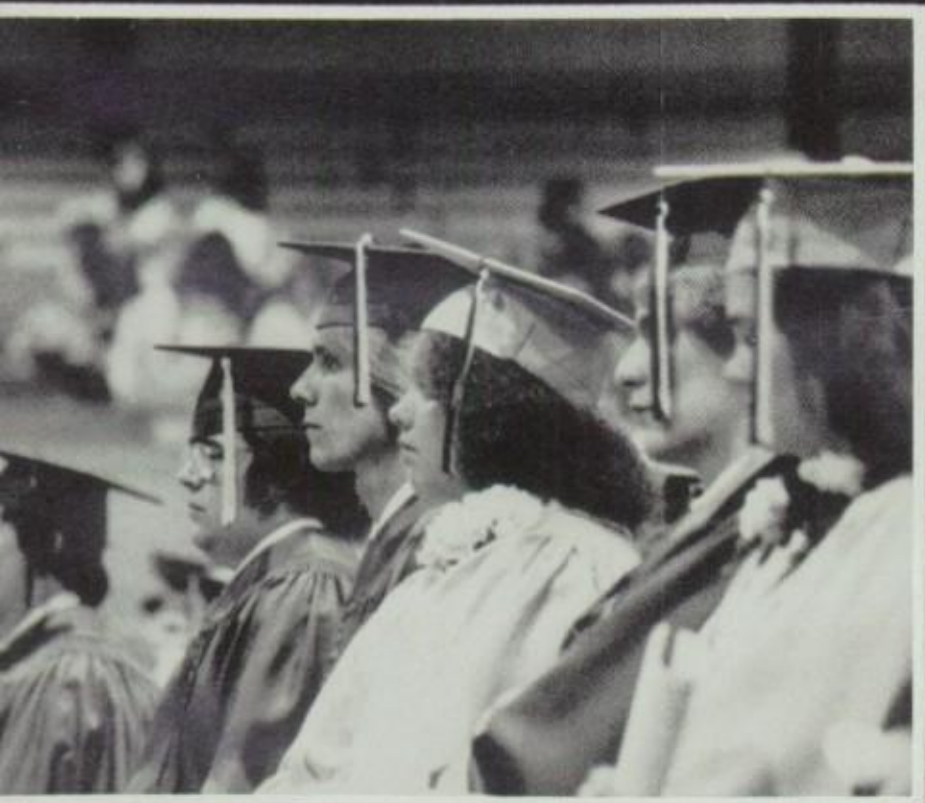

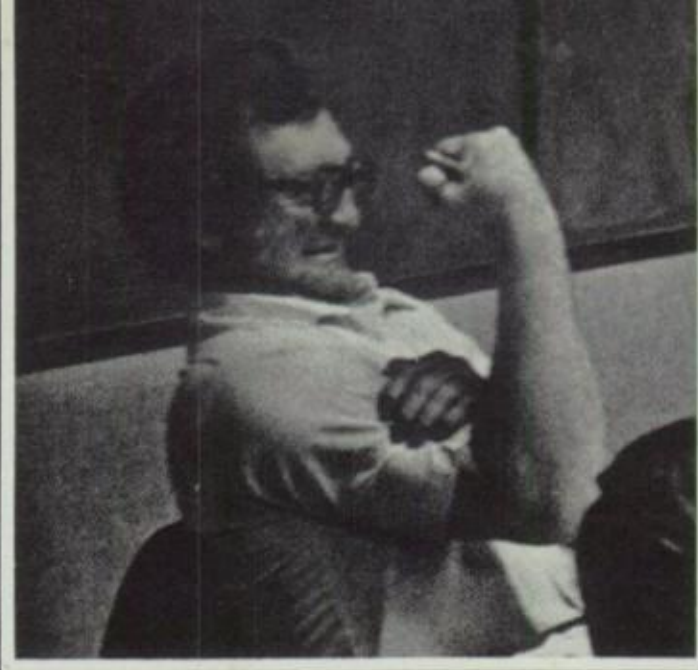

Tides of Time

Memories lyin' in the seas of my mind.
Floating soft and gentle with the
Tides of Time
Tides of Time

Come along with me my friend and
We'll explore my memories,
They're lyin' on my shores like
Shells left behind by the tide

But in these shells won't be the roar of the sea
Only the echo of times gone by and of
Laughter Shared
Of Laughter Shared

Come along with me my friend and
We'll explore my memories,
They're lyin' on my shores like
Shells left behind by the tide.

Come to me my friend and you will
hear the sound of time
As it echoes through the shells and the
memories of my mind.

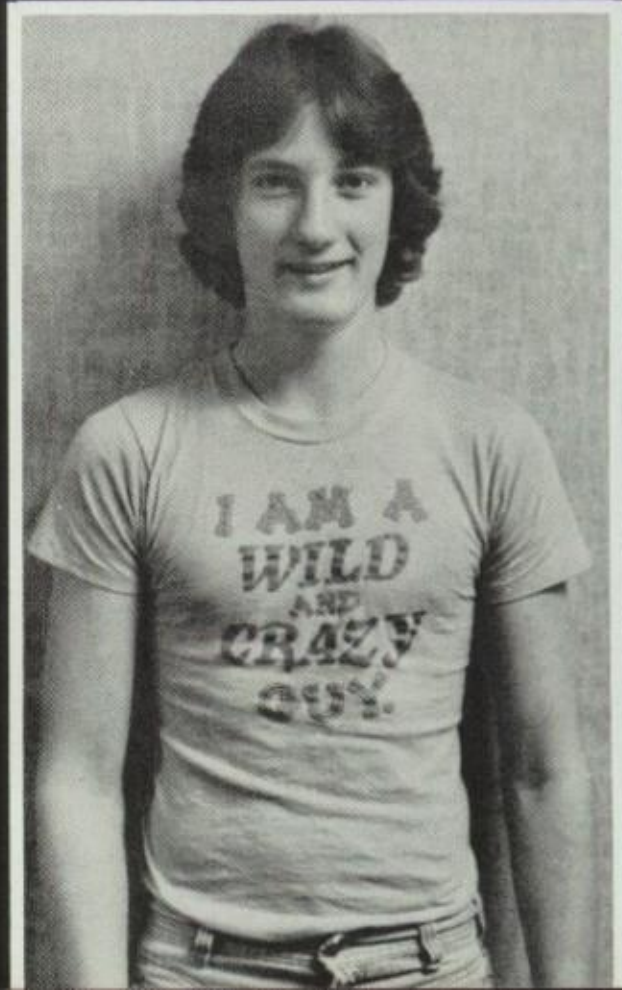

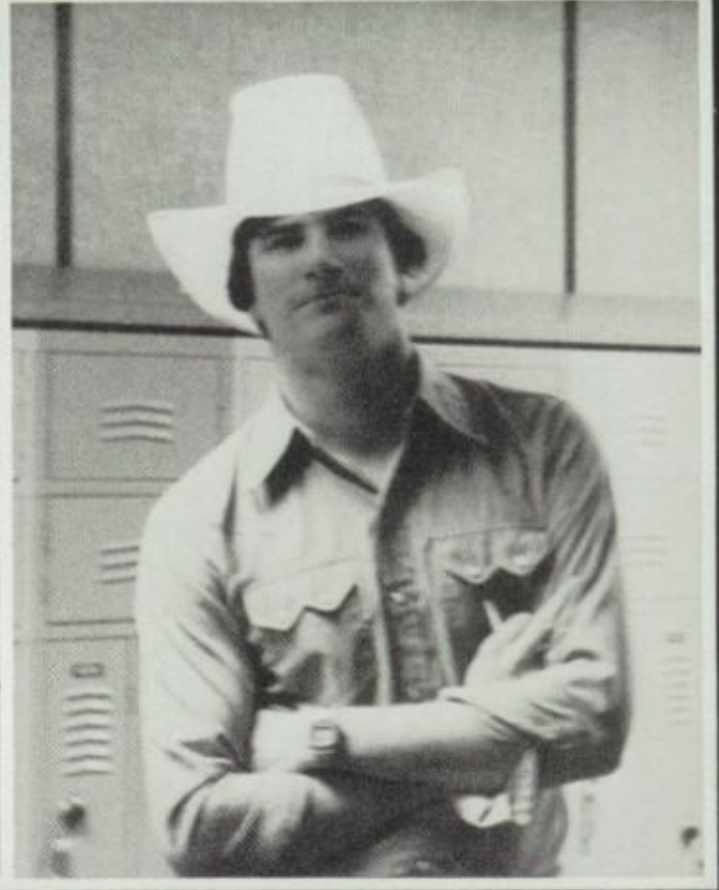

Hold tight to me my friend,
I think I'm going to cry.
For all I see are the faces of the
friends I left behind.

Memories lyin' in the seas of my mind
All I see are the faces of my friends.

Fads and Fashions

Apparent in Halls of Troy

Fashions for the 1978-79 school year ranged from the blue jean, ski jacket look to the feminine longer length dresses for gals and dress pants and sweater look for guys.

Girls fashions centered around straight legged jeans to spike heels to boots to below the knee dresses.

The layer look was most popular allowing students to add or subtract clothing as the weather permitted.

Accent accessories much in demand for gals especially, were stick pins, scatter pins, neck ties, hair combs and barrettes and small, thin, shiny belts.

Big top shirts were also a familiar sight allowing for variety in color and style.

The male population seemed to favor wearing cowboy boots and hats, flannel shirts, tennis shoes, ski vests, overalls, blue jeans and t-shirts with popular phrases.

Army coats and jackets appeared on the scene in early spring, especially with the senior class members.

Despite the fashion trends which come and go the Halls of Troy were filled with the more comfortable mode of faded blue jeans and t-shirts.

National Honor Society Organizes First "Activity Day"

Hours of planning and telephoning by NHS members Becky Farmer, Etta Deets, Susan Huggins and Karla Riemann were behind the sponsoring of the first Activity Day.

Along with sponsor Bob Holl, the NHS people organized and supervised the three hour activity.

Students were given a break from the routine on Friday, May 4, hours one through three. Instead of regular morning classes all high school students attended three workshops of their choosing.

The workshops interest areas varied from disco dancing to volleyball to horses.

A preliminary survey was taken listing 40 possible workshop choices. The twenty receiving the most votes were offered on Activity Day. The enrollment of 294 students took place May 1-3 during lunch hour.

Bob Holl, NHS sponsor, headed up the event. Holl had these comments, "I looked in each class during the morning and I thought they were very interesting. Also they were well received by the students. But without the hard work done by our four NHS members we could never had had it."

Mr. Kolman, principal, had these thoughts about the experience, "It was very enjoyable. The students seemed appreciative and moved quickly between classes. I appreciated the work NHS and Stu-Co

members did to make it possible."

When asked about the possibility of more activity days in the future, Kolman seemed optimistic and mentioned that perhaps workshops in various types of occupational fields would be valuable exposure for high school students.

Mr. Peter Caldwell, of storytelling fame, was one of the six BHS teachers who conducted workshops for the day. He had some suggestions for any activity days to be planned next year. "I think it would be better to eliminate faculty members as instructors so that we could bring in more outside people."

A very big thank you goes to these people who conducted classes: AEROBIC DANCING, Kathy Konzem; BASS-FISHING, Jay Rowh; BOWHUNTING DEER, Larry Beydler; DIETING, Janet Johnson; DISCO DANCING, Steve Henoch; DRILL TEAM, Carl Fitzgerald; DUCK HUNTING, Nick Niewald; FASHION, Carol Fleming; GUITAR, Julianne Pruitt; HAM RADIO, Alan Fowler; HORSES, Jane Wallace; HUMOR, Peter Caldwell; JOGGING, All Martin; MOTORCYCLES, Frosty Clegg; PETS AND ANIMALS, CARE, Jim Jacobs; TENNIS, Mary Johnson and Roger Sand; TRAPSHOOTING, Gary Spear and Jack Smith; VOLLEYBALL, Joni Johnson; WORKING WITH CHILDREN, Becky Donelan, WORKING WITH WOOD, Ken Larson.

By Becky Farmer

Becky Donelan from the Beloit Day Care Center, gave tips on working with children.

Janet Johnson gave a demonstration and speech on checking labels for calories and dieting safely.

Jack Smith and Gary Spear gave pointers on trapping.

Duck hunting was Nick Niewald's subject.

Jay Rowh showed some equipment necessary for Bassfishing.

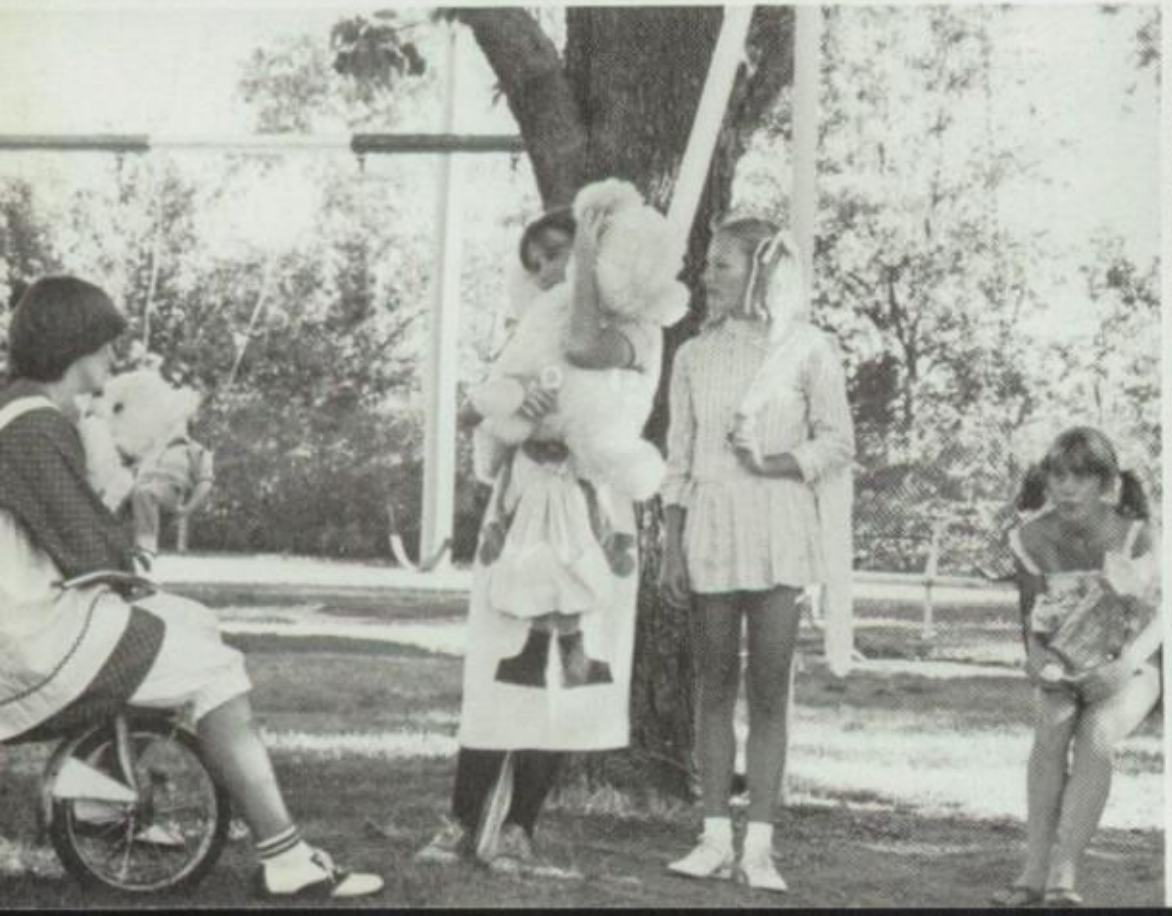

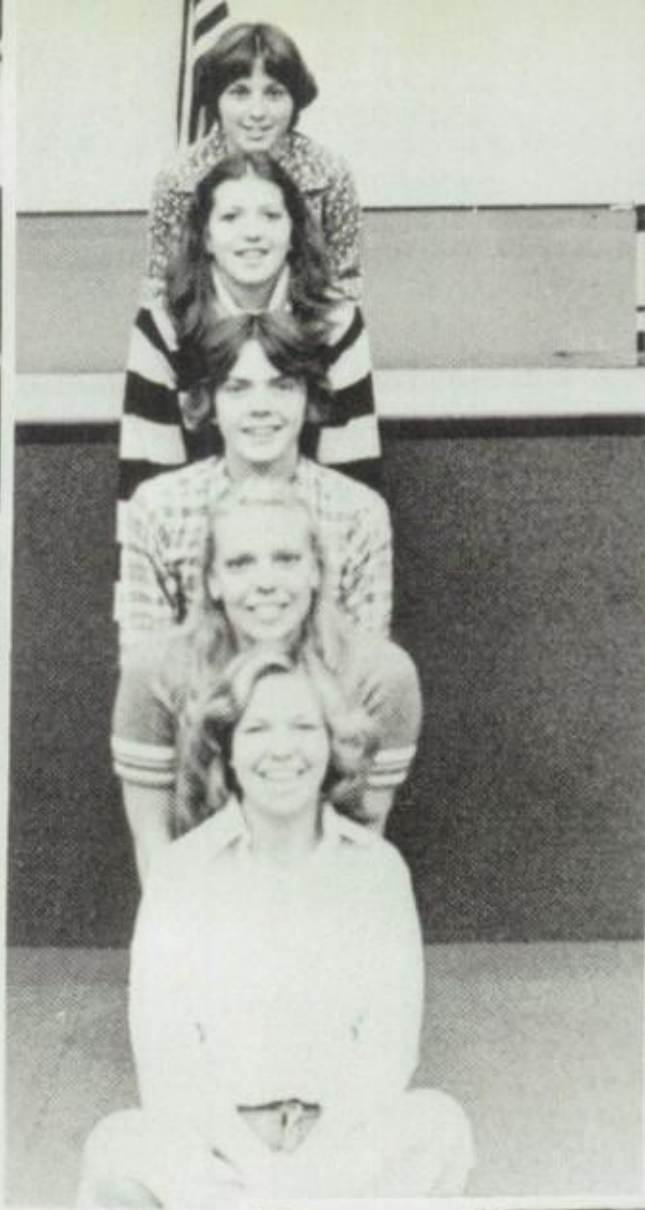

Students enjoyed a relaxed atmosphere in the classes.

Carol Fleming and Pat McChesney showed current fashions and new hair designs.

Jane Wallace gives Terry Harnett a hand for his horse sense.

Frosty Clegg points out safety features on his motorcycles.

Students gathered in appointed places to meet their instructors. These students watched a disco session while waiting.

ACTIVITY TIES

AFS received an Australian twist this year with the arrival in July of Alison Cribb. A get acquainted dinner was held in her honor.

Alison arrived from Christchurch New Zealand to stay with the Dean Harnett family. She is the daughter of Mr. and Mrs. Keith Cribb and has two older brothers and one sister.

When asked about the difference between our school and hers, she said that they have school year round. They have two weeks off in May, three weeks in August, and a six week vacation over Christmas.

She also said the U.S. food she likes best is yogurt, granola bars, and TACOS! In New Zealand, their meals always consist of meat, potatoes, and a dairy food.

Alison will leave Beloit the end of June on a tour until July 15. She will start school at a University in March of 1980. She hopes that she can, some day, come back but also hopes that the friends that she has made here can come to her home and visit her.

The AFS club activities included raising money so Alison could call home on Christmas. A fund raising basketball game was held between the local Jaycee-KSU Football team on February 19, with the profits being split evenly between AFS and the Beloit Day Care Center.

The group ended their year by sponsoring a going away picnic for Alison in June.

When I heard I was coming to Beloit, Kansas I was really so excited to know I was coming to the states, that it didn't sink in that I'd never, ever heard of Beloit!! When I looked up the map I couldn't find Beloit - panic - where was I going!! It's funny how you create images in your mind about a place, as I thought Kansas was really flat, no trees and lots of cowboys saying 'Howdy'. You can imagine that I was so glad to see the green farmlands and streets lined with trees - Kansas was pretty!

Everything was so different at first, cars, people's accents, clothes and of course being in a new town and new family, enrolling for school, meeting people and trying to survive the Kansas summer sun. Coming from a New Zealand winter muddled me up for quite a while.

After being in the States this long, I have days that I can't imagine ever going home, or of never having been here all my life. I learn something every day about America, it's hard to comprehend how huge this country is.

I know that why I like Beloit so much is because of my host family being just like a natural family to me and that the people I've met are really friendly and caring about the AFS student - Americans and other AFS'ers. This year is very special and it's going far too quickly.

The group sponsored a bon-fire pep rally at the City Park before the first football game and a mid-season surprise pep rally at the football field to "fire up" the team. Before games and matches, the halls were colorfully decorated by members to get the entire school involved.

Pep Club organized three all school pep rallies and two spirit weeks featuring "rope 'em day" and "top 'em day" with students dressing for the appropriate occasions.

To honor the parents, Pep Club sponsored a Parents Night for parents of football, basketball and wrestling parents at the conclusion of each season. Introductions were made during the half-time as well as a reception held in their honor following the athletic event.

Before an important contest the Club members would bring candy or fruit for each individual involved in that particular sport.

In October and September, some of the fall projects, were manning the concession stand at the home football games, sponsoring the Fall Homecoming Dance, and collecting for the Arthritis Fund. Several girls attended the Fall Conference held at Phillipsburg.

During the Christmas season names were drawn and gifts were exchanged at the meeting. Cake and punch was then served. It was voted to donate gifts to the Youth Center.

Y-Teens continued this year to sponsor their girl from the Philippines. Throughout the week of February 8-14, the girls brought gifts for their Heart-Sisters such as something red, sweet, homemade, and for Valentines Day, something nice.

On April 23, a potluck supper was held for Y-Teens, parent-daughter Banquet, held in the Commons Area.

Color Pages, Layout Styles and Student Life Features Keep Publication Staff Involved

The Trojan Staff began the year 19 members strong. To learn about layout styles and copy writing, the staff attended a workshop at Concordia in September. Chris Snedden was awarded a certificate for her outstanding double-page layout.

An all new cover design using tin foil letters and a back to front design was chosen in November. Stainless steel endsheets were chosen at the same time.

Staffers used a variety of layout styles, including graphics through the Junior High section, Trojan page numbers, tooling lines, and a color section.

The 164 page publication covered High school and Junior high activities and clubs. A special opening section featured student fad and fashions in '79.

In February, Cheryl Plymire, Curt Farwell, Kyle Swisher, Sharon Kadel, Julie Mah, Tim Gilbert, and Connie Studer attended a Regional KSPA Journalism conference in Manhattan. Those who won awards were Kadel-Special Effects, third — and Swisher third in Outline Writing. They participated in the state contest in Lawrence in March.

In order to promote spirit and enthusiasm for Homecoming, pep club members organized Spirit Week from October 2 to the 6. Students dressed up appropriately for the weeks events, which included Make 'Em Small, Tear 'Em Up, Overall, and Round 'Em Up. Throughout the week, pep club gave the football team posters with appropriate candy, decorated the boys lockers and on Thursday decorated the entire school.

A Parade was held that Friday afternoon to introduce to the public the football team and the Queen candidates. Following the parade at Mill and Main, was the annual pep rally. Mrs. Larson gave a pep talk, Coach Seiber introduced the Seniors and giving a short talk summarizing the season, and the Cheerleaders led the group in cheers and chants.

CHRISTMAS PROM FILLED WITH "LUK"

"The Way I Feel Tonight" was the theme chosen for the 1978 Christmas Prom held at the American Legion Hall on December 16. The Christmas Prom was given in honor of the Juniors.

Mr. Harrison, Senior Class Sponsor said, "I am very proud of the Seniors and their efforts on making this Prom a success."

Many students felt Christmas Prom added a spark to the Christmas season.

PRINCIPALS HANDLE ADMINISTRATIVE PROCEDURES

Verlin Kolman-Principal: "The 1978-79 school year has passed with tremendous speed. The year had many satisfying achievements and reasons for passing quickly.

First, the leadership provided by the senior class has been a welcome surprise and asset. Second the Board of Education through their decisions and leadership, continue to update the equipment and educational opportunities necessary for a first rate school.

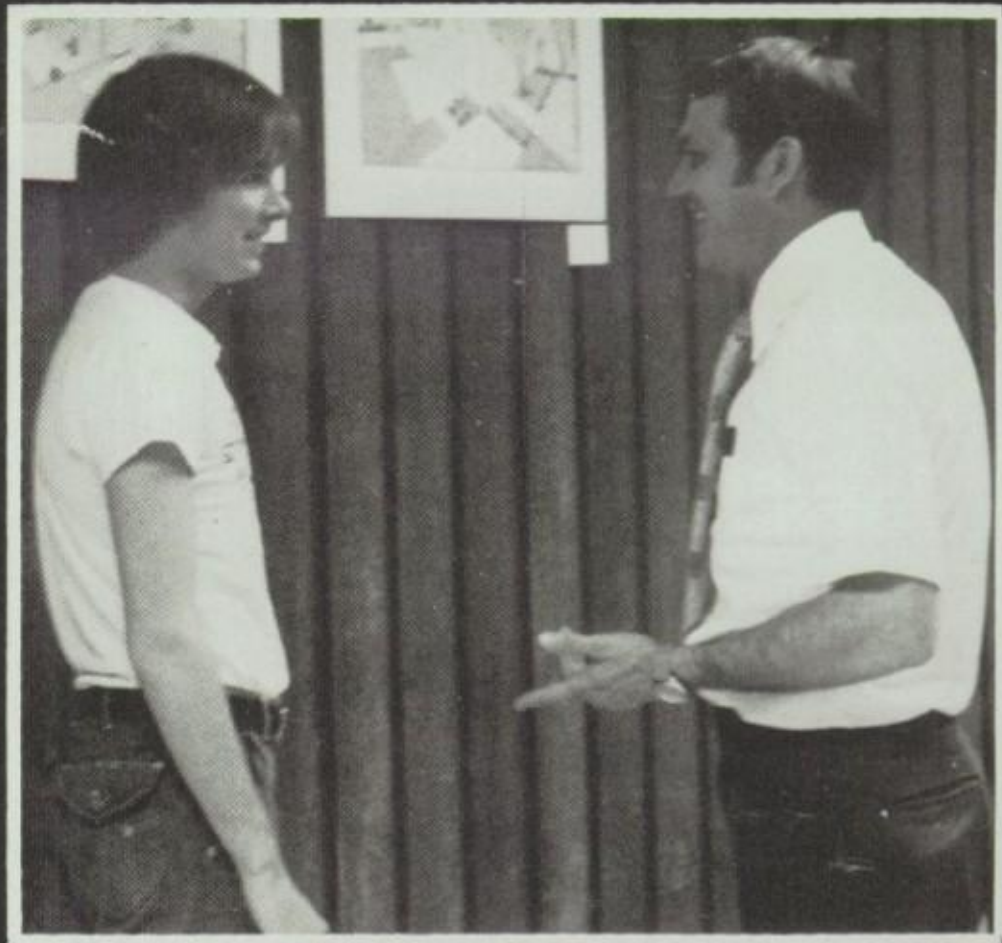

Activities and excitement exhibited continue to be a source of personal enjoyment. Finally the continued student academic and personal growth provide personal satisfaction.

I cherish these experiences and opportunities, as they pass all to quickly."

James Copp Vice-Principal: "We have had a full year of learning and activities in 1978-79. The staff and the student body have worked hard to meet the goals that were established at the beginning of the school year. We will

graduate another class of seniors who have done an excellent job at Beloit Junior Senior High. Their leadership should provide the underclassmen a foundation on which to build and grow for the next school year."

Successful English Teacher Retires After 20 Years

Mrs. Helen Lukens

"My fondest memory of teaching is to have known so many wonderful students and have made so many, many friends among the graduates," Mrs. Lukens said. After 20 years of dedication and service in education to U.S.D. #273, Mrs. Helen Lukens will retire at the end of the 1978-79 school year. Mrs. Lukens has served in the Language Arts department by teaching Freshman English, Junior English, Senior English, College Prep courses, World and English Literature, Creative Writing, Mythology, Variety Reading, to mention only a few. Mrs. Lukens has been a very important part of BHS not only through her instruction in the classroom, but also in the activities she has devoted so much time to, such as Y-Teens, Senior Class, and Tells Creative Writing Club. When she was asked what she could change if she had it to do over again, she replied, "Only superficial things — like doors on our section of the lovely new building and maybe an automatic motivator to make students want to soak up information would be nice." Her response to how has the style of teaching changed over the years' was that "courses are less textbook oriented — more freedom in arranging material to be included in a class. Many materials are available and courses can be arranged to get the particular students in a class. We also have such an excellent means of duplicating materials which gives teachers a chance for innovative methods." Mrs. Lukens explains she plans to spend her extra time by writing, traveling, raising flowers and caring for her vegetable garden. Mrs. Lukens will be missed by the students and faculty of BHS but she definitely deserves and has earned a peaceful retirement.

by Dawn Roberson

Tells' Awards were given at the Special Awards Night by Mrs. Lukens to Connie Jay and Karla Rieman.

This is a poetry tribute written for Mrs. Lukens by Karla Rieman.)

Such A Lady

To describe the mischievous wind as
it dances among the leaves,
To tell of a faded memory that
invades a silent dream;

To show how the sparkling stars
are diamonds in a velvet night,
To see the colors in a mountain and
explain its awesome sight;

To describe such a lady would be
like describing all of these.

Mrs. Lukens listens intently while Joni James asks a question in Mythology.

For she is truly quite a lady
such a lady is she.

To describe her sparkling eyes and the
mystery of wisdom they hold,
To tell of her warming smile and
the gentle caring it shows;

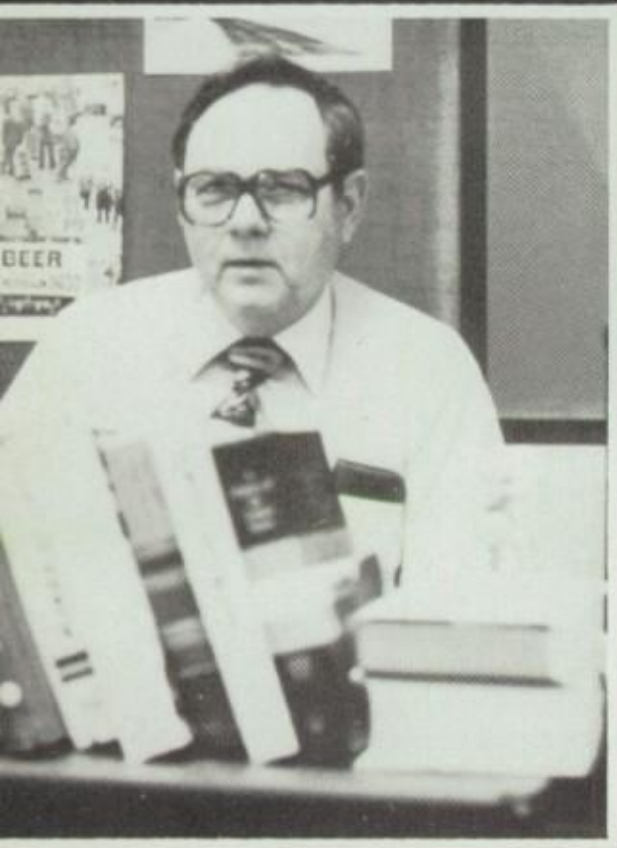

To hear her frequent laughter and
explain its flowing tide,
To show her iron will,
another of her many sides.

To tell of such a lady
I need more adequate words than these,
For she is truly quite a lady,
Such a lady is she.

Girls Capture Share Of League Title

Volleyball Team: (from l-r); Front row; Debra Slate, Julie Butterfield, Mgr.; Karen Hartman; Middle row; Christy Reid; Kelli Isom; Susan Michels; Mary Lynn Hodgson; Elaine English; Sandy Luckey; Vicki Garst; Back row; Marietta Deets; Peggy Hansen; Head Coach

Joni Johnson; Kathy Drake; Julie Johnson; Lana Riemann; Becky Farmer; Lisa Hansen; Linda Carrico; Janet Johnson; Asst. Coach Joyce Ellis; Alison Cribb; Dee Cox.

This 1978 Trojan Volleyball team enjoyed their best season ever. They finished the season as Co-Champions of the NCAA League with an 11-3 league record, and ended the season with an 13-6 overall record.

As the season grew to a close, there was a three way race for the League title between Beloit, Ellsworth, and Lindsborg. After the final week of play had ended, Beloit and Ellsworth were on top, tied with 11-3 records.

The girls opened their season in September at Ellsworth. They brought home a victory and a loss as they split the two matches. Their home opener was against southeast of Saline, and again they split their matches. The team got rolling as they swept two matches from Solomon and Sacred Heart.

They then traveled to Belleville for an Invitational tournament. After defeating Hanover in the first round, they lost to Belleville in the Semi-finals and to Superior, Nebraska in the Consolation Finals, thus bringing home fourth place.

Returning to the league schedule, the girls traveled to Minneapolis and claimed two matches there. Traveling to Lindsborg, the girls won one match. Coming back home, they met Lincoln, needing to win two matches to at least share the league title. Well, that's exactly what they did, as they bombed Lincoln for two victories.

The team's next objective was to win the Substate. They beat Abilene in the first round but lost a heartbreaker to Council Grove in the Semifinals to end their season.

The girls had two new coaches this year, Miss Joni Johnson, Head Coach, and Miss Joyce Ellis, Asst. Coach. Miss Johnson's commenting on the season said, "We had a super year and the girls worked very hard and gave it all when they needed to. Our goal was to win the league, but we ended up tying for first which is really good. I was very proud of the girls and was glad to be associated with them."

The 1978 Trojan football team surprised many people this year with a 6-3 overall record.

They surprised so many because they had only six seniors, two returning starters, and a new head coach. Most figured the Trojans had ended their winning ways, but lots of hard work and determination showed everyone that the Trojans could still put together a winning season.

New head coach Steve Seirer guided the team to a 5-2 league record and a 6-3 record overall, thus giving them third place in the NCAA.

Beloit's first game of the season was against their rival, Concordia. After a long and very hard fought game, the Trojans came up short and lost 7-13. This broke their 33 game winning streak. The following week the Trojans got back on the right track by beating Belleville 22-14.

Beloit started league play with Ellsworth and easily won 34-0. Going to Southeast of Saline, the Trojans pulled away for a 27-6 victory. Solomon was the Trojans' homecoming opponent. Trailing for much of the game, the Trojans came back with very little time left to win 14-7.

The going got tougher as breaks didn't go the Trojans way for the next two weeks. They were handed a 19-43 loss by Sacred Heart, and a 0-20 loss to Minneapolis. Lindsborg came to town for Parents Night and the Trojans put on quite a show as they won 46-28. The Trojans closed out the 1978 season against Lincoln, although the Trojans played very sluggish, they pulled out a 20-14 overtime win.

Julie,
You are a real fun girl to be
with. You are a real spaz. I don't
know if you were born that way or
whether you hit your head in our
little wreck. I hope we can get together
again before we graduate and have some fun.
I hope you have good luck in the future. I know
you'll have good luck with the boys because you
are good looking.

Friends
always
Chris

Julie -
Don't be in the school
parking lot. We
will have to go out & party
because of chasing all the
good - stay out of trouble.
Be good - stay out of trouble.
Have a good time
Chris

Julie,
I can't believe we're juniors already. I can remember a lot of fun times we had in junior high. You're a real sweet girl & I hope we can always be friends. Love,
Julie Butterfield

Julie -
Boy Howdy - have we really had some great times! - Good luck in Volleyball, Basketball, etc. and with the guys. Friends,
Beth (r.)

Julie,
I hope we can go partying with Janis sometime. I know we'd have a great time. I like hearing about your crazy stories and would love to hear some more. You're a really nice girl and I know you'll do good in anything you try. Stay cool!!!
your friend,
Lacey '82

Julie,
Well so far we haven't partied together like we did in our sophomore year but maybe in the future we can make up for all we missed.
Friends Always,
Ted

Julie, (p. 2)
You're a real sweet girl with a great personality. Don't let your lack of talent go out for basket ball, who will we will shut and back on? I hope sometime we can go out and party. I think you'd be one heck of a partyer! Good luck with every thing you want (maybe! you'll catch on, huh!)

JULIE,

WE'VE had alot of good times together
in the LAST YEAR & I'm SURE there will be
alot more in the future, like this coming
Friday! Right? I still remember the times
we were good friends in ~~6th~~ 7th grade.
We had some good times then too. It seems
like last year we went out & got drunk every
weekend twice even (Fri+Sat.) I'm sure it will
be the same this year if your not in fucking
training all year, we haven't had to
many bad times except my little fits
about butfucker & Johnny but that's
over now right? It's all behind me
anyway! All never forget when we
stayed out until 4:00 that was pretty
fun. ~~It~~ It would of been more fun if Johnny
would of been out. Just kidding, I guess
we got a late start though 11:00. We will
have another one real soon. But we won't
be around any boys except -----, just
kidding again, well I wish you luck in
the future even though you dont need
it. I wish you all the luck with Joe, I
know things will work out this time with
chip giving Joe advice. Your really someone
I can talk to & I will always be there
if you need someone to talk to. Well be
good & dont do anything I wouldn't do &
party your brains out because I know
I'm going to.

FRIENDS ALWAYS'S

LOVE

Julie,

Well, where do I begin to talk about all the good times we've had together? There have been some bad times but we won't talk about them. Remember when you were with Dan and I ended up driving Craig Genglers car. God, I can't believe that. I remember that one homecoming you went with Karl and I went with John out at our old farm. One of the funniest times is when we got stuck in that pond. God, that was funny! Remember how drunk you got on July 4? ripping off that sign, you didn't even hear firecrackers a foot away from your head. We'll have to go out and party all night sometime. You're a hell of a partier. We'll have to get together and start making up excuses again, I'm getting out of practice. I can't wait to go visit Sandy that will be a blast. You have a good personality, keep it up and you'll go far. Good Luck with the boys. Love ya!
